SCIPRO®

ASSISTANT PROFESSOR

ZOOLOGY

Turn your passion for Zoology into a prestigious teaching career!

A Prestigious Career in Higher Education

Prepare with a structured learning programme designed to help you face the Kerala PSC Assistant Professor (Zoology) examination with confidence.

Why Choose This Career?

- Government teaching position in colleges under the Kerala Collegiate Education Department.
- Attractive salary under the 7th UGC Pay Commission.
- Entry Pay: ₹57,700 to ₹1,82,400.
- Excellent opportunities for career advancement through promotions, research, and academic development.
- A respected profession with long-term job security and work-life balance.

Eligibility

Candidates should possess:

- Master's Degree in Zoology or an allied subject
- Qualification in NET
- Candidates holding a Ph.D. awarded in accordance with UGC regulations are exempted from the NET requirement.

Why Start Preparing Now?

The previous Kerala PSC recruitment for Assistant Professor (Microbiology) was conducted in 2020. Since such notifications are issued only occasionally and the syllabus is extensive, early preparation gives candidates a significant advantage. Building strong subject knowledge, improving descriptive answer-writing skills, and systematic revision can greatly enhance your chances of success when the next recruitment is announced.

Why Choose SCIPRO?

- Comprehensive one-year coaching for the descriptive examination.
- Complete syllabus coverage by expert faculty.
- Descriptive answer-writing practice with evaluation.
- Recorded Video Classes
- Readable notes & MCQs
- Previous Question Paper Analysis
- Personalised Doubt-Clearing Support
- Test series
- Live Assessments
- Proven track records & Experience

Course period:

Valid for one year (1 year) from the date of joining or until the exam date, whichever comes first
